Sir,

Ref C O No L 7028-32/C M 101-53-9 dated
10-9-53 (Fl Communication to 2794 dated
10-9-53)

It is stated in the above Government Order that the Government of India have sanctioned a loan of Rs 80,000/- only for the Mysore City Sewage Utilization Scheme and that the Mysore City Municipality have agreed to the conditions of loan. It is presumed that transactions do not pass through the State Section of the accounts under II Public Debt - III - Loans from Central Government. Kindly confirm the above.

It is also stated in the last para of the above Government Order that the loan sanctioned is debitable to "Demand No 100 - Loans and advances by the Central Government - advances to State Governments for Growth Food Schemes". Evidently the above demand does not find a place in the State Section of the accounts.

7) The collection leading to the issue of G.O. dated 10/15/53 sanctioning the Sewage Utilization Scheme for the City of Mysore is placed below for reference.

8) The A.G. presumes that transactions in respect of these loans do not pass through the State Section of the Accounts under II Public Debt - III Loans from Central.

 The expenditure on ~~the~~ behalf of

16) If the entire amount has to be
placed at the disposal of the local bodies it can
be done only in instalments. It is not safe to
place the entire loan amount for the following

reasons

(1) Govt (Commissioner & P) is
responsible for the due accounting of money
spent on the schemes

(2) It should be ensured that the loan
amount is not utilised for general purposes

17) So far as ^{the} Corporation is concerned 50% i.e. Rs 3 lakhs is repayable for Corporation funds with interest. This amount should therefore be provided as a loan by the State Govt. on the first instance. The entire share of the scheme i.e. Rs 3 lakhs has to be provided ~~under~~ outside the Revenue account.

18) It is suggested that the financing of the Scheme may be allotted for as under

— Govt of India assistance by way of loan may be taken as a receipt under N Public debt

— 19) Payments to Corporation may be made — Rs 3 lakhs under R loans and Advances and Rs 3 lakhs under S 2 Capital A/c of other State works outside the Revenue a/c

— 20) The instalments may be mutually for a — and each instalment may be drawn only if the Comr. certifies the accounts of the previous instalment — Rs 80000

21) The loan to State Municipality may be provided under R loans and advances

22) The A-7 may be considered regarding the procedure urgently

23) As due provision has not been made in the State Budget ^{and the scheme is a new service} an advance may be authorised by the Finance Dept for Contingency funds

120) As regards the sewage disposal scheme at Bangalore, a sum of Rs 3,00,000 ~~was~~ drawn during last year & credited to the funds but the work could not be started so far, ~~as~~ on account of the difference of opinion between the chairman of the Bangalore Trust Board and the chief Engineer only a few thousands of rupees have been spent by the Board on establishment charges and purchase of pipes which are not yet utilised. The question was referred to the Standing Technical Advisory Committee who have given their final decision. According to this decision, a revised scheme has to be prepared. The chairman of the Board has been requested ~~to~~ in the office letter no 13295/STB 30-53-57 & 4-2-55 to send a revised scheme as ~~per~~ advised by the committee. The work cannot

Letter No.F.14-7/52-GMF(S) dated ²⁷23-4-53 from the Govt. of India, Ministry of Food and Agriculture (Agri.), New Delhi, to the Govt. of Mysore.

Sub:- G.M.F. Programmes for 1953-54 - Financial Assistance.

I am directed to refer to the minutes of discussions held in this Ministry on the 6th January, 1953, and also to your letter No.AF 12313 dated 24-3-53, on the subject noted above, and to say that the President is pleased to sanction (i) a grant not exceeding Rs 5,51,932/- (Rupees five lakhs, fifty-eight thousand, eight hundred and thirtytwo only) and (ii) a loan of Rs 67,30,000/- (Rupees sixty-seven lakhs & thirty thousand only) in connection with the schemes mentioned in the attached statement. The basis on which the grant is sanctioned for individual schemes is also explained in the note enclosed herewith.

2. The actual drawal of the loan will, however, be based on authorisation to be issued by the Government of India on the basis of requests from the State Government that they require the loans and are ready to draw it. It is accordingly requested that the exact amount of loan required for immediate utilisation may please be intimated urgently so as to enable this Ministry to issue the necessary authorisation for payment. The terms of repayment of the loan and the interest chargeable thereon will be intimated at the time the loan is authorised for payment.

3. I am also to offer the following remarks in respect of the schemes mentioned below:-

i) Subsidy for irrigation wells:- In agreeing to Rs 1.875 lakhs as grant and Rs 11.25 lakhs as loan the intention of the Govt. of India was to allow not more than an overall subsidy of 25% of the cost of the wells subject to a maximum of Rs 250/- per well to be constructed in areas other than scarcity areas and a maximum subsidy of Rs 500/- per well to be constructed in scarcity areas. This is to be done by adjustments within the grant agreed to and not by making additional provision in respect of wells to be constructed in the scarcity areas. The Government of India, therefore, regret their inability to sanction any further grant in addition to Rs 1.875 lakhs agreed to at the meeting. This amount may be distributed between wells in the scarcity areas and other areas.

ii) Preparation and distribution of urban compost:- This scheme is sanctioned on the distinct understanding that from the year 1954-55 onward, the expenditure on staff should be substantially reduced and that a part of the transport charges should also be recovered from the cultivators.

4. The grant sanctioned above is debitable to the Demand No.41-Extra-Ordinary Payments - Grants to States for G.M.F. Schemes.

5. The loan sanctioned above is debitable to Demand No.122-Loans & Advances by the Central Government - Advances to State Governments for G.M.F. purposes.

6. It is requested that progress reports on the working of the schemes may please be sent to this Ministry regularly in the usual proforma.
